

PLANTRONICS CS70N™

Stylish & discreet wireless office headset, with great comfort

The Plantronics CS70N allows you to multi-task more easily – whether you're using your PC whilst on a teleconference, finding some private/quiet space for that important call, or simply stretching your legs whilst on a long teleconference. Stylish and discreet, with excellent sound quality and wireless range, it's the perfect combination.

Key features:

- A more efficient way to work – a better way for busy executives and managers to multi-task easily
- You'll hardly notice you're wearing it – light, comfortable and incredibly discreet
- Freedom to move – 50 metres range in a typical office means you no longer need to be tied to your desk when on the phone
- Excellent sound quality – DECT™ wireless technology combined with a noise-cancelling microphone ensures you can hear and be heard clearly

Accessories

Recommended:

- Electronic Hookswitch (APS-1, APA-2, APT-3, APC-4, APP-5), HL10 – to answer/end calls when away from your desk (phone manufacturer dependent)

Optional:

- OLI (on phone visual indicator)
